

SUPER LAW GROUP, LLC

POSITION ANNOUNCEMENT

Associate Attorney - Litigation

August 2019

Super Law Group (SLG) is seeking an associate attorney to join our team of litigators dedicated to environmental protection. The position will start in the fall of 2019.

Established in 2008, SLG is a small law firm based in lower Manhattan that represents environmental organizations and others who seek to preserve natural resources. As lawyers for the environmental movement, our practice concentrates on litigation in federal and state courts and administrative forums, with a strong focus on water. Other practice areas include energy, endangered species, parkland protection, land use, environmental impact review, and access to public records. See www.superlawgroup.com

We seek a full-time associate attorney with 0-3 years of experience after law school (1-3 years of experience is preferred). We require an exceptional commitment to environmental protection, a strong academic record, excellent research and writing skills, and relevant experience in environmental law, advocacy, or science (before, during, and/or after law school).

An associate attorney at Super Law Group participates in a full range of tasks that include conducting factual investigations, legal research, and discovery; preparing pleadings and briefs; meeting with clients and experts; and engaging in advocacy. Our associates work closely with SLG's partners and gain significant experience early in their careers. We seek associates who are well organized and want to take on a high degree of responsibility and independence for their caseload over a relatively short period of time.

Qualifications:

Required:

- Law school graduate who is admitted or willing to apply for admission to the New York bar
- Outstanding academic credentials
- Excellent writing, research and communication skills
- Knowledge of federal administrative and environmental law, in particular, the Clean Water Act
- Exceptionally well-organized and resourceful
- Energetic, collaborative, hardworking, personable, and have a sense of humor

Preferred:

- At least one year of experience as a litigator
- Judicial clerkship
- Science or engineering background, or possess comfort with numbers and quantitative analysis
- Familiarity with GIS, and mapping software
- Admission or willingness to apply for bar admission in other states

Compensation and Benefits: Competitive with public interest legal work and commensurate with experience

Application Procedure: Submit your résumé, cover letter and writing sample to Reed Super at reed@superlawgroup.com. Write ASSOCIATE ATTORNEY in the subject line. NO PHONE CALLS, PLEASE.
